

Guidelines for Oral Presentation

GENERAL INFORMATION

- In your presentation, please pay particular attention to the following:
 1. All sessions should be conducted in English.
 2. Ensure adequate but concise description of study details, including background, study aims and objectives, methods (including sampling, data collection method, and tested intervention as appropriate), results, discussions and conclusion.
 3. Ensure the conclusions are well justified by the results provided.
 4. Highlight the key implications of your study findings to research/ practice.
 5. Spell out any abbreviations for clarity to the audience.
 6. Explain any terms that may not be known to the audience.
- Your total presentation time is **10 minutes** with Q&A session at the end of each session along with all other speakers. Please remain present throughout your assigned concurrent session.

PRESENTATION FILE

- Prepare your presentation file using PowerPoint 2013 or above.
- Slide size format in the ratio of 16:9 is preferred. Slides designed in a 4:3 aspect ratio will be displayed in letterbox format with black bars on either side of the slides.
- File name: The designated file name will be provided to presenters in due course.
- Save the file in a USB.

PRESENTATION DAY TIMELINE

- Your presentation file has to be uploaded at the Preview Room at the conference venue **at least one hour** before your scheduled session. If your session is the first one in the morning of November 1, you are advised to upload your presentation file at the Preview Room by 16:30 on October 31.
- Please arrive at the presentation venue **at least 15 minutes** before your scheduled session. Inform the staff of your presence so that you will be introduced to the Moderator of your session.

AUDIO VISUAL EQUIPMENT AVAILABLE

- All session rooms are equipped with:
 - LCD projector for Powerpoint presentation
 - Lectern microphone
 - Computer with built-in speakers
 - Projection screen

- For a smooth transition between presentations, all PowerPoint presentations **MUST** be delivered on the computer and projector provided. Presenters **CANNOT** use personal equipment or attach personal equipment to the equipment at the Forum venue.
- Presentations will be pre-loaded to the computer in order to reduce downtime due to technical problems.
- PowerPoint 2013 or above will be the version of software used.
